1. Sketch your porch configuration and door placement on the grid below.
2. Measure each wall of the porch from edge to edge and write that measurement (in inches) beside the corresponding wall on the sketch.
3. Measure from the floor to the header, and write the measurement (in inches) in the height blank below.
4. Take a picture of the inside and outside of the porch, and attach those to the email.
5. Write preferences of frame color, and vinyl color in blanks below.
6. Email the form to info@anchorhomeservice.com

Header Height _____ Frame Color _____ Vinyl Color _____
